

Assistant Water/Wastewater Treatment Operator

The Village of Williamsburg is seeking an Assistant Water/Wastewater Treatment Operator. This position reports directly to the Public Works Supervisor and is primarily responsible for assisting in the operation and maintenance of the Water/Wastewater Treatment systems and associated collection system along with variety of additional duties related to daily assistance in operations of the Public Works Department. Ideal candidate will possess the ability to effectively communicate with elected officials, employees, and general public, as the Public Works Department is highly recognized throughout our community.

Qualifications include but are not limited to knowledge and experience with public works equipment and tools. Requirements include high school diploma or equivalent; a valid Ohio Driver's License; possess or can obtain Class A CDL and Class I Water and/or Wastewater License within 12 months. Work is physically demanding and requires occasional evening and weekend work. This is a full-time position with starting pay of \$15.00 per hour plus excellent benefits package.

Applications and job descriptions may be obtained at the Community Building, 107 West Main Street, Williamsburg, Ohio 45176, or downloaded from our website at williamsburgohio.org and returned to the Village Administrator. Applications will be accepted until the position is filled, but preference will be given to applications received prior to September 30, 2021.
