A Message from the Mayor...

Hello to all,

As the heat wave has continued throughout the summer our Garden Club and our Village maintenance crew are to be commended for giving us the beautiful flowers along our Main Street and the bridge that have continued to thrive throughout the summer.

I want to thank our June in Olde Williamsburg Committee for bringing back this annual event. They are an amazing group of people, all volunteers, dedicated to insuring our community continues to enjoy the sights and sounds of "June in Olde Williamsburg." Preparations are already underway for next year's event.

Our "National Night Out" in our Community Park was an awesome opportunity for our Police Department to spend some fun time with our community. Thanks to our Police Department, the Township Emergency Services Department and our sponsors for spending time with our community. With the help of our sponsors, we were able to provide free food, drinks, entertainment, interaction with multiple organizations and businesses and finish up with some great giveaways.

As many of you already know our Paradise East Brewery is open for business! We welcome this opening and the opportunities it provides not only to our local residents but for the outreach for visitors. If you have a taste for something other than the craft beers available, try the root beer or crème soda. We welcome this new business to our Main Street and look forward to the success of this investor. This business, along with all the other businesses here in our village, makes a statement that they believe in Williamsburg. We are also looking forward to the opening of The Guild and the Williamsburg Mercantile. As updates become available, we will post on our website, www.williamsburgohio.org.

It is my hope that as we look to the future, we see more good than bad, we have more ups than downs and that our glasses are not only half full but overflowing and that if we have the opportunity to do something positive to help where help may be needed we will know we have helped make a difference in the place we call home.

I believe in Williamsburg!

Till next time,
Mary Ann

Local produce grown by your farming neighbors! Any questions, please contact Gayle Burroughs at 513.739.7488 or Liz Betemps at 513.305.0607.

From the Police Department

With the ending of summer fast approaching we hope that everyone was able to enjoy time with family and friends. On August 2nd we held our National Night Out event along with members of the Williamsburg Township Emergency Services. Even though it was a typical hot August day, we felt our event was a great success. The support we received from our sponsors, local businesses, Community organizations and churches was greatly appreciated. The event helps to foster a better relationship between members of Public Safety Services and the Community we serve.

Also, the school year is beginning in just a few short weeks and as we have reminded everyone in the past drive safely. School Zones are posted 20mph through specified times with the beginning and ending of the zone marked with pavement markings, signage and/or flashing lights. Be aware of stopped school buses on your daily commute and plan for some extra time due to the frequent stops. When being a part of a small Community it takes all of us to make it a safer place to live, so please contact us with any questions or concerns.

Respectfully,
Chief Michael Gregory

Zoning and Housing Code

Williamsburg has both a Zoning Code and a Housing Code that require certain levels of property maintenance. Some of the items that are required are as follows:

- store all items inside your home or an outbuilding, not in the yard or on your porch
- vehicles must be road-worthy and licensed
- All swimming pools must be enclosed by a fence with a locking gate
- Homes must be kept in general good repair (siding must be replaced, windows, gutters, roofs repaired as needed, paint, etc.)

Visit www.williamsburgohio.org for "Zoning" or call (513) 724-6107 for any questions.

From the Clerk of Court

If you need to pay a traffic ticket, we have a new convenient way to pay go to: <https://www.ohioticketpayments.com/Williamsburg/DocketSearch.php>. If you are trying to get your Driver's License back call or email the Clerk of Court, we are here to help! (513) 724-6107 or courtclerk@williamsburgohio.org

Note: When a holiday falls on your regularly scheduled Monday, place the items out for Tuesday collection. The compost lot is also available for drop off by appointment between scheduled collection days.

As this is a labor-intensive task, this schedule will allow staff to perform the collection in a timely and effective manner. Your cooperation and patience will ensure better service for all residents and assist in more efficient use of Village resources for other projects and services. Working together will help keep our community attractive and brush-free. Please call (513) 724-6107 with any questions.
